

48th ACI
WORLD CONGRESS

CAPE TOWN 2009

OPPORTUNITY TO EXHIBIT

CAPE TOWN CONVENTION CENTRE

The centre has been meticulously designed with absolute respect for the end user and the most modern amenities and technology are mandatory ingredients. From major medical, financial and scientific conventions hosting thousands of delegates to consumer exhibitions and trade shows, the CTICC's extraordinary adaptability makes it accommodating and accessible.

The CTICC's commitment to professionalism is complemented by the destination's service standards and sophisticated infrastructure. Its dedicated team is enhanced by the excellent reputation of its operating company, which has extensive international experience in all facets of the facility's operation.

The hosting of the 48th ACI World Congress offers the Financial Market industry an opportunity to showcase the prospects that exist in Africa. South Africa has long been seen as the gateway to Africa and this World Congress will see the convergence of global intellectual capacity. The congress has been structured to provide ample opportunity for delegates to network, deliberate and explore new ideas

As an exhibitor, your company will be able to use the 48th ACI World Congress Cape Town 2009 as a forum to:

- Engage in face to face marketing with an expected target audience of 500 delegates, gain exposure to senior level executives and decision makers at all levels
- Promote your company image and increase brand awareness
- Promote your staff and expertise and your exhibition
